CAPT Board Update

Leanne Colvin will be stepping down from her position as Executive Director of CAPT as of Friday, September 30, 2016. Leanne has advised the Board that while she enjoyed the various duties and challenges involved in the position she has decided to resign in order to fully concentrate on her own practice.

Since taking on the role in the spring of this year, Leanne's strong leadership and expertise have afforded the board valuable insight and direction in terms of further defining the responsibilities of this position to maximize the benefit to CAPT members. The Board is most appreciative of Leanne's efforts and is pleased to share that she has agreed to continue in her role as a member of the A&O committee.

Given that several important CAPT initiatives are in full swing, the Board has begun the search for a new Executive Director and hopes to be in a position to announce her replacement soon.
